REQUEST FOR CORRECTED FILING RECEIPT

Mail Stop Non-fee Amendment

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

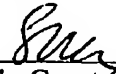

This is a **SECOND** request for a corrected filing receipt. We received a corrected filing receipt mailed March 31, 2004 in response to our first request filed March 26, 2004, which had the correct information. Then, we received another filing receipt, labelled "Corrected Filing Receipt" mailed June 16, 2004, which had the original error. The attached marked-up copy shows the correction we are requesting, again. Namely, please change the domestic priority data from "This application is a CON of PCT/JP03/02067 2/27/2003" to "This application is a CON of PCT/JP03/02067 2/25/2003."

A declaration was filed February 23, 2004, which has the correct priority information, and a preliminary amendment was filed March 26, 2004, which corrected the same information in the first paragraph of the specification.

If extensions of time under 37 C.F.R. § 1.136 other than those otherwise provided for herewith are required to prevent abandonment of the present patent application, then such extensions of time are hereby petitioned, and the Commissioner is authorized to charge any fees therefore, and credit any overpayments, to Deposit Account 50-3077.
